## Family YMCA of the Glens Falls Area 2020 ANNUAL CAMPAIGN

Each year the Family YMCA of the Glens Falls Area's Annual Campaign helps to transform the lives of local youths, individuals and families. We raise Annual Campaign dollars for one purpose only, to fund financial assistance for our neighbors in need. **One-hundred percent of annual campaign funds will be utilized to meet the greatest needs of our community and our YMCA.**

For a better us.  
**FOREVER  
THRIVING.**

Dear Y Community,

A lot has changed at the Y over the past year, but our commitment has remained the same - to always be here for our community when people need us most. When the devastating effects of COVID-19 swept across the country and landed on our doorsteps, we quickly mobilized to provide our community with services. Thanks to the unwavering support of our members, volunteers and donors, our YMCA has been able to continue offering people a critical lifeline as we work to help our community recover and thrive. Now, as we approach the launch of our 2020 Annual Campaign, we are asking for your help so that we can continue to support our neighbors and strengthen our community. Together, we can provide childcare for parents who need to work, a safe, nurturing space for seniors who are feeling isolated and continue to support the community with a clean and safe wellness center. No matter what challenges the future brings, we can overcome them together. Give to the Family YMCA of the Glens Falls Area and help create a stronger community for all.

The Y. Forever together. For a better Us.

Sincerely,

Brian Bearor, CEO
